Mr. Robert A. Frank  
Executive Director  
Hillside School and Learning Center  
4331 Oak Grove Drive  
La Canada, CA 91011

Dear Mr. Frank:

The Accrediting Commission for Schools, Western Association of Schools and Colleges (ACS WASC) announces the action taken at the Spring 2017 Commission Meeting. The ACS WASC Commissioners have determined Hillside School and Learning Center (7 - 12) meets the ACS WASC criteria for accreditation. This accreditation status is based on all of the information provided by the school, including the self-study report, and the satisfactory completion of the on-site accreditation visit.

It is the decision of the Commission to grant Six-Year Accreditation Status with a Mid-cycle Two-day Visit through June 30, 2023.

Hillside School and Learning Center is required to prepare a Mid-cycle Progress Report for the Mid-cycle Visit. The report and visit should demonstrate that the school has:

- Addressed the critical areas for follow-up through the schoolwide action plan;
- Made appropriate progress on the implementation of the schoolwide action plan; and
- Improved student achievement relative to the schoolwide learner outcomes and the academic standards.

Accreditation status is conditioned upon Hillside School and Learning Center's continued compliance with the ACS WASC policies, procedures, and criteria for accreditation. This includes a requirement that an accredited school annually contribute members to participate on visiting committees. Failure to maintain compliance with said policies, procedures, and standards is grounds for modification and/or withdrawal of the accreditation.

\* Proof of graduation will be used through the remainder of the academic year in which a high school's account status changes if its previous account status permitted the use of proof of graduation. For high schools that do not operate on a traditional academic calendar, proof of graduation will be used only through the completion date of coursework for which the student was enrolled prior to the change in account status. The status of core courses will remain through the academic term (e.g., semester, quarter) in which a high school's account status changes. For schools with nontraditional academic calendars, core course statuses will remain for students with a course enrollment date prior to and including the date of school status change.
